

## Ultra Lap

A premium quality, ready-mix abrasive compound for finishing and polishing all types of steels, chrome, soft, non-ferrous metals, and hard alloys.

Supplied in 1 lb. jars.

| Part #  | Grade | Grit | Abrasive              | Description                                    | Price |
|---------|-------|------|-----------------------|--|-------|
| ULC100  | C100  | 100  | Hard, Silicon Carbide | Coarse, fast stock removal.                    | 26.70 |
| ULC200  | C200  | 220  | Hard, Silicon Carbide | Coarse, fast stock removal.                    | 26.70 |
| ULC300  | C300  | 320  | Hard, Silicon Carbide | Prep finish for tool steels and hard alloys.   | 26.70 |
| ULC400  | C400  | 400  | Hard, Silicon Carbide | Prep finish for tool steels and hard alloys.   | 26.70 |
| ULB400  | B400  | 400  | Soft                  | Semi-finish for soft steel.                    | 26.80 |
| ULH500  | H500  | 500  | Hard, Aluminum Oxide  | Semi-finish on tool, chrome, and stainless.    | 26.70 |
| ULC600  | C600  | 600  | Hard, Silicon Carbide | Scratch free, dull finish on all hard metals.  | 26.70 |
| ULC800  | C800  | 800  | Hard, Silicon Carbide | Fine, dull finish on all hard metals.          | 24.95 |
| ULB800  | B800  | 800  | Soft                  | Fine finish on all soft steels.                | 32.36 |
| ULH900  | H900  | 900  | Hard, Aluminum Oxide  | Fast, high luster on tool and nitrided steels. | 42.55 |
| ULC1000 | C1000 | 1000 | Hard, Silicon Carbide | Very fine, dull finish on all hard metals.     | 29.25 |
| ULLA    | LA    | *    | Soft, Fine Alumina    | Super fine, high polish for precision parts.   | 33.60 |
| ULH3000 | H3000 | 3000 | Hard, Aluminum Oxide  | High polish, less than 1 micron finish.        | 46.50 |

\* Levigated Alumina

\*\*2 oz. tube.
