

Handy Rolls

Handy Rolls

Applications:

- Deburring, cleaning, and polishing metal surfaces by hand.
- Used as a small sheet of abrasive cloth.
- Used on a turning part or on a split mandrel.
- A necessity in all machine and maintenance shops.

Features:

- Full resin bond.
- May be used with water, water-based, and oil-based coolants.
- Maximum flexibility.

Benefits:

- Longer lasting, higher productivity for wider range of applications.
- Eliminates costly degreasing of parts before polishing and deburring.
- Ideal for extreme contour work.

Handy Rolls

Part Number	Size	Grit	Price/Each Roll
704821	1" x 50 yds.	50J	20.37
