

Food Grade Silicone Lubricant

Part # A635

Stoner A635 Food Grade Silicone Lubricant is a versatile lubricant which helps reduce friction and prevent sticking for faster, quieter, and more efficient machine operation.

A635 repels water when applied to fabrics, leather, rubber, and most other materials. Useful in many industries including packaging, food processing, textiles, paper processing, furniture making, molding, printing, construction, and general manufacturing.

Food Grade Silicone Lubricant

Benefits & Specifications:

- Meets FDA regulation 178.3570 as a (dimethylpolysiloxane) lubricant with incidental food contact.
- Colorless, tasteless, and non-staining.
- Can be used on most materials including plastic, rubber, metals, paper, canvas, vinyl, glass, foam, wood, leather, and fabrics.
- 12-can case of 9 oz. aerosols.

Quantity Discounts A635	
Number of Cases	Price
1 - 5 Cases	\$40.50
6 - 24 Cases	\$36.86
25+ Cases	\$33.21
We accept blanket orders for monthly, quarterly or annual usage.	

Penetrating SKID Lubricant

Part # A490

Stoner A490 SKID is a multi-purpose shop tool which penetrates, lubricates, cleans, and protects most metal surfaces. SKID penetrates between close tolerance parts to quickly dissolve and loosen rust, corrosion, dirt, and scale. As it penetrates into the tightest areas, it carries lubricating oil to free stuck or frozen parts for easy removal and smooth operation. The solvents in SKID help clean and remove grease, tar, sludge, and other build-up. SKID leaves a very thin coating to help protect metals and prevent future seizing.

Works Great on Seized Nuts or Bolts

Benefits & Specifications:

- Perfect for any industrial maintenance department.
- Acts quickly to save you time and money.
- Pleasant odor.
- Loosens tight nuts, bolts, pins, bearings, and slides.
- 12-can case of 10 oz. aerosols.

Quantity Discounts A490	
Number of Cases	Price
1 - 5 Cases	\$74.50
6 - 24 Cases	\$64.82
25+ Cases	\$55.88
We accept blanket orders for monthly, quarterly or annual usage.	

Lubricants & Air Dusters

Penetrating Lube with PTFE

Part # A194

Stoner A194 Penetrating Lube with PTFE is a multi-purpose shop tool which penetrates, lubricates, cleans, and protects most metal surfaces.

Penetrating Lube penetrates between close tolerance parts to quickly dissolve and loosen rust, corrosion, dirt, and scale.

As it penetrates into the tightest areas, it carries a lubricating oil to free stuck or frozen parts for easy removal and smooth operation. The solvents in Penetrating Lube help clean and remove grease, tar, sludge, and other build-up. Penetrating Lube leaves a very thin oil and PTFE coating to help protect metals and prevent future seizing.
