

Support Pillars

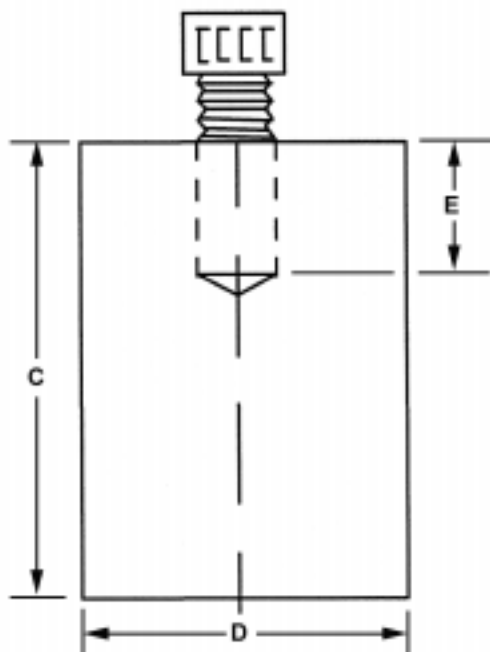

- Constructed from the highest quality SAE 1040 steel.
- Precision ground heights are flat and parallel.
- Tapped hole.
- Socket head cap screw included with 1" thru 2-1/2" support pillars. (3/8-16x1 SHCS)
- Socket head caps screws for 3" and larger diameters are found on pages 96-97, use 5/8-11 thread.
- Special sizes available on request.

| (D) Diameter +.000" -.0025" | (C) Height +.001 -.000 | (E) Hole Depth Ref. | Part Number | Price |
